Annie. Looks like you are off the hook for now. The defendant, who was out on bail, failed to show for his trial today. He was defaulted and a warrant will issue for his arrest. In legal terminology, we say: "He took the Pan Am Appeal"

But I would still like an answer to that question when you get it. Thanks for your cooperation. See you.

Hello Ann. I will touch base w/ you tomorrow morning to go over testimony. I will let you know at that time whether I need Dan.

I have a question though. Police report says police seized two separate quantities of cocaine. One of those quantities consisted of "14 bags of white powder" according to the police report. The drug receipt from your lab indicates the 14 bags was dropped of on 8/6/08. However the lab analysis no. [REDACTED] indicates you tested "13 plastic bags." Can you look into this? Thanks.

Have a good weekend.

Thanks,

Hi,

I am trying to get an update on the status of your cases for Monday August 31st. Currently, I am on standby for New Bedford Sup with ADA Maryclare Flynn.

Trying to figure out where I should be next week and on what day?

Let me know. I appreciate you help.

Thanks,

Annie
